

§ 22.800

32 CFR Ch. I (7–1–05 Edition)

(a) Conducting reviews and coordinating reviews, audits, and audit requests. This includes:

(1) Advising grants officers on the extent to which audits by independent auditors (i.e., public accountants or Federal auditors) have provided the information needed to carry out their responsibilities. If a recipient has had an independent audit in accordance with OMB Circular A-133, and the audit report disclosed no material weaknesses in the recipient's financial management and other management and control systems, additional preaward or closeout audits usually will not be needed (see §§ 22.420(b) and 22.825(b)).

(2) Performing pre-award surveys, when requested by a grants officer, after providing advice described in paragraph (a)(1) of this section.

(3) Reviewing recipients' systems and compliance with Federal requirements, in coordination with any reviews and compliance audits performed by independent auditors under OMB Circular A-133, or in accordance with the terms and conditions of the award. This includes:

(i) Reviewing recipients' financial management, property management, and purchasing systems, to determine the adequacy of such systems.

(ii) Determining that recipients have drug-free workplace programs, as required under 32 CFR part 25.

(4) Notifying the Office of the Assistant Inspector General for Policy and Oversight (OAIG(P&O)), 400 Army-Navy Drive, Arlington, VA 22202, if either of the following is not available within a reasonable period of time (e.g., six months) after the date on which a recipient of DoD grants and agreements was to have submitted its audit report under OMB Circular A-133 to the OAIG(P&O):

(i) The recipient's audit report under OMB Circular A-133.

(ii) The OAIG(P&O)'s desk review of the recipient's audit report, or a letter stating that the OAIG(P&O) has decided not to conduct a desk review.

(b) Performing property administration services for Government-owned property, and for any property acquired by a recipient, with respect to which the recipient has further obligations to the Government.

(c) Ensuring timely submission of required reports.

(d) Executing administrative closeout procedures.

(e) Establishing recipients' indirect cost rates, where the Department of Defense is the cognizant or oversight Federal agency with the responsibility for doing so.

(f) Performing other administration functions (e.g., receiving recipients' payment requests and transmitting approved payment authorizations to payment offices) as delegated by applicable cross-servicing agreements or letters of delegation.

Subpart H—Post-Award Administration

§ 22.800 Purpose and relation to other parts.

This subpart sets forth grants officers' and DoD Components' responsibilities for post-award administration, by providing DoD-specific requirements on payments; debt collection; claims, disputes and appeals; and closeout audits.

§ 22.805 Post-award requirements in other parts.

Grants officers responsible for post-award administration of grants and cooperative agreements shall administer such awards in accordance with the following parts of the DoDGARs, as supplemented by this subpart:

(a) *Awards to domestic recipients.* Standard administrative requirements for grants and cooperative agreements with domestic recipients are specified in other parts of the DoDGARs, as follows:

(1) For awards to domestic institutions of higher education and other nonprofit organizations, requirements are specified in 32 CFR part 32, which is the DoD implementation of OMB Circular A-110.

(2) For awards to State and local governments, requirements are specified in 32 CFR part 33, which is the DoD codification of the Governmentwide common rule to implement OMB Circular A-102.

(3) For awards to domestic for-profit organizations, requirements are specified in 32 CFR part 34, which is modeled

on the requirements in OMB Circular A-110.

(b) *Awards to foreign recipients.* DoD Components shall use the administrative requirements specified in paragraph (a) of this section, to the maximum extent practicable, for grants and cooperative agreements to foreign recipients.

§ 22.810 Payments.

(a) *Purpose.* This section prescribes policies and grants officers' post-award responsibilities, with respect to payments to recipients of grants and cooperative agreements.

(b) *Policy.* (1) It is Governmentwide policy to minimize the time elapsing between any payment of funds to a recipient and the recipient's disbursement of the funds for program purposes (see 32 CFR 32.22(a) and 33.21(b), and the implementation of the Cash Management Improvement Act at 31 CFR part 205).

(2) It also is a Governmentwide requirement to use electronic funds transfer (EFT) in the payment of any grant for which an application or proposal was submitted or renewed on or after July 26, 1996, unless the recipient has obtained a waiver by submitting to the head of the pertinent Federal agency a certification that it has neither an account with a financial institution nor an authorized payment agent. This requirement is in 31 U.S.C. 3332, as amended by the Debt Collection Improvement Act of 1996 (section 31001(x)(1)(A), Pub. L. 104-134), and as implemented by Department of Treasury regulations at 31 CFR part 208. As a matter of DoD policy, this requirement applies to cooperative agreements, as well as grants. Within the Department of Defense, the Defense Finance and Accounting Service implements this EFT requirement, and grants officers have collateral responsibilities at the time of award, as described in § 22.605(c), and in postaward administration, as described in § 22.810(c)(3)(iv).

(3) Expanding on these Governmentwide policies, DoD policy is for DoD Components to use electronic commerce, to the maximum extent practicable, in the portions of the payment process for grants and cooperative

agreements for which grants officers are responsible. In cases where recipients submit each payment request to the grants officer, this includes using electronic methods to receive recipients' requests for payment and to transmit authorizations for payment to the DoD payment office. Using electronic methods will improve timeliness and accuracy of payments and reduce administrative burdens associated with paper-based payments.

(c) *Post-award responsibilities.* In cases where the recipient submits each payment request to the grants officer, the administrative grants officer designated to handle payments for a grant or cooperative agreement is responsible for:

(1) Handling the recipient's requests for payments in accordance with DoD implementation of Governmentwide guidance (see 32 CFR 32.22, 33.21, or 34.12, as applicable).

(2) Reviewing each payment request to ensure that:

(i) The request complies with the award terms.

(ii) Available funds are adequate to pay the request.

(iii) The recipient will not have excess cash on hand, based on expenditure patterns.

(3) Maintaining a close working relationship with the personnel in the finance and accounting office responsible for making the payments. A good working relationship is necessary, to ensure timely and accurate handling of financial transactions for grants and cooperative agreements. Administrative grants officers:

(i) Should be generally familiar with policies and procedures for disbursing offices that are contained in Chapter 19 of Volume 10 of the DoD Financial Management Regulation (the FMR, DoD 7000.14-R¹⁰).

(ii) Shall forward authorizations to the designated payment office expeditiously, so that payments may be made in accordance with the timely payment
